

Volunteer RVS Waiver

49 Deer Road Bowdoin, Maine 04287

207-607-0110

I, _____ (print full name), hereby agree to release and hold harmless Lil' Rascals Wildlife Rehabilitation (LRWR), its Directors, and volunteers from any and all claims resulting from either directly or indirectly interacting with any and all rabies vector species including but not limited to raccoons, skunks, foxes, bats, weasels, and woodchucks.

I understand that I may request of Lil' Rascals Wildlife Rehabilitation (LRWR), that I exclusively work with non-rabies vector species or contribute to the center in non-animal care areas to avoid many of the risks associated with direct rabies vector species animal care.

I understand that LRWR has the authority and right to refuse to allow volunteers without their Rabies Immunization to work with the rabies vector species and that if I show any sign of incompetence or disregard for any safety protocols, I may be dismissed of my volunteer position immediately.

I understand that there is always risk of injury, illness, and/or property damage involved when working with wildlife, especially during activities such as rescuing, excluding, transporting, and rehabilitating. I agree to assume responsibility for any and all such risks. I understand that I am to exercise a high degree of care in carrying out my volunteer duties and in doing so I may still be subject to injuries and damage.
